Anti – Bullying Policy

1. In accordance with the requirements of the Education (Welfare) Act 2000 and the code of behaviour guidelines issued by the NEWB, the Board of Management of Clashmore National School has **adopted the following anti-bullying policy** within the framework of the school's overall code of behaviour. This policy fully complies with the requirements of the Anti-Bullying Procedures for Primary and Post-Primary Schools which were published in **September 2013**.

THIS POLICY MUST BE READ IN CONJUNCTION WITH THE SCHOOLS OVERALL CODE OF BEHAVIOUR

2. The Board of Management recognises the very serious nature of bullying and the negative impact that it can have on the lives of pupils and is therefore fully committed to the following **key principles of best practice** in preventing and tackling bullying behaviour:

(a) A positive school culture and climate which

- is welcoming of difference and diversity and is based on inclusivity;
- encourages pupils to disclose and discuss incidents of bullying behaviour in a non-threatening environment; and
- promotes respectful relationships across the school community;

At Clashmore National School we consider the following to be key elements of a Positive School Culture:

- We acknowledge the right of each member of the school community to enjoy school in a secure environment
- We acknowledge the uniqueness of each individual and their worth as a human being
- We promote positive habits of self- respect, self -discipline and responsibility among all its members.
- We actively prohibit vulgar, offensive, sectarian or other aggressive behaviour by any of its members
- We have a clear commitment to promoting equity in general and gender equity in particular in all aspects of its functioning
- We have the capacity to change in response to its pupils` needs
- We identify aspects of its curriculum through which positive and sustainable influences can be exerted towards forming pupils` attitudes and values
- We take particular care of 'at risk' pupils and uses its systems to identify needs and facilitate early intervention where necessary –thus responding to the needs, fears & anxieties of individual members in a sensitive manner
- Clashmore National School recognises the need to work in partnership with and keep parents informed on procedures to improve relationships within the school community

- We recognise the right of parents to share in the task of equipping pupils with a range of life skills.
- We recognise the role of other community agencies in preventing and dealing with bullying
- We promote habits of mutual respect, courtesy and an awareness of the interdependence of people in groups and communities
- We promote qualities of social responsibility, tolerance and understanding among its members both in school and outside of school
- Staff members share a collegiate responsibility, under the direction of the Principal, to act in preventing bullying/aggressive behaviour by ANY MEMBER of the school community.

(b) Effective leadership

- The BOM has overall responsibility to ensure that this policy is effective, sustainable and measured. The BOM must ensure that accountability is of the highest standard and frequently appraise the outcomes of the strategies and measures contained within the policy
- ISM Team - (Mrs. Flavin, Mrs. Hynes, Mrs. Keogh) - have a clear role to act in a leadership capacity within the school community, stimulating a whole school approach to preventing and tackling bullying – and modelling best practice
- The Principal of Clashmore National School as key leader strongly influences attitudes and sets standards in relation to dealing with bullying
- Teachers must act as good role models and not misuse authority, but be fair, clear and consistent in their disciplinary measures.

(c) A school-wide approach

- A whole community approach to the problem of bullying is required and Clashmore School community comprises of management, teachers, non-teaching staff, pupils, parents/guardians
- Beyond the school community, bullying behaviour may extend to outside of school. Where this negatively impacts on a school - parents and pupils have a responsibility to support the school in helping to address the issue. This applies particularly (but not exclusively) to cyber bullying.
- The assistance of Gardaí, Tusla and Community Workers may be required in some cases
- Collective vigilance is needed throughout the whole school/community sector to identify and deal with issues around bullying in a fair and equitable manner

(d) A shared understanding of what bullying is and its impact

- Clashmore National School endeavours to put in place appropriate systems to ensure that ALL relevant members of the school community (parents, pupils, staff and the wider community) have a shared understanding of what constitutes bullying behaviour as defined in this policy (*Section 2&3 of Anti Bullying Procedures for Primary & Post Primary Schools*)

(e) Implementation of education and prevention strategies see section 5 of this policy, (including awareness raising measures) that-

- build empathy, respect and resilience in pupils; and

- explicitly address the issues of cyber-bullying and identity-based bullying including in particular, homophobic and transphobic bullying;
- effective supervision and monitoring of pupils;

(f) Effective supervision and monitoring of pupils

- Staff members have a distinct responsibility to ensure that supervision of pupils in class is effective and consistent
- Supervision in playground areas must be managed and conducted effectively, with particular attention given to ‘hot spots’ or ‘hot times’ eg arrival & dismissal
- Office Staff are well placed to inform if any behaviour which may constitute bullying is noticed

(g) Supports for staff

- Regular discussion and review of policy and procedures is essential to support staff on a continuous basis
- All staff must have a uniform interpretation of what is expected in relation to bullying, how to identify possible bullying behaviours, how to manage disclosures and how to deal effectively with incidents of bullying within the classroom context
- Staff must be aware that supporting one another is a key aspect of prevention and new/inexperienced members of staff must be given every opportunity to discuss concerns and model best practice
- CPD in relation to Anti Bullying Strategies will be supported and encouraged for all members of staff

(h) Consistent recording, investigation and follow up of bullying behaviour (including use of established intervention strategies); and

(i) On-going evaluation of the effectiveness of the anti-bullying policy.

Education and prevention strategies
--

School-wide approach

- A school-wide approach to the fostering of respect for all members of the school community.
- The promotion of the value of diversity to address issues of prejudice and stereotyping, and highlight the unacceptability of bullying behaviour.
- The fostering and enhancing of the self-esteem of all our pupils through both curricular and extracurricular activities. Pupils will be provided with opportunities to develop a positive sense of self-worth through formal and informal interactions.
- Whole staff professional development on bullying to ensure that all staff develops an awareness of what bullying is, how it impacts on pupils' lives and the need to respond to it-prevention and intervention.
- An annual audit of professional development needs with a view to assessing staff requirements through internal staff knowledge/expertise and external sources
- Professional development with specific focus on the training of the relevant teachers
- School wide awareness raising and training on all aspects of bullying, to include pupils, parents/guardians and the wider school community.
- Supervision and monitoring of classrooms, corridors, school grounds, school tours and extra-curricular activities. Non-teaching and ancillary staff will be encouraged to be vigilant and report issues to relevant teachers. Supervision will also apply to monitoring student use of communication technology within the school.
- Involvement of the student council in contributing to a safe school environment e.g. Buddy system, mentoring, Lunchtime Buddies and other student support activities that can help to support pupils and encourage a culture of peer respect and support.
- Development and promotion of an Anti-Bullying code for the school-to be displayed publicly in classrooms and in common areas of the school.
- The school's anti-bullying policy is discussed with pupils and all parents/guardians are given a copy as part of the Code of Behaviour of the school on enrolment.
- The implementation of regular (e.g. per year) whole school awareness measures e.g. a dedicated notice board in the school and classrooms on the promotion of friendship, and bullying prevention; annual Anti bullying Week and parents/guardians seminars organised by P/A.; annual student surveys during Anti Bullying Week; regular school assemblies by principal or deputy principal.
- Encourage a culture of telling, with particular emphasis on the importance of bystanders. In that way pupils will gain confidence in 'telling'. This confidence factor is of vital importance. It should be made clear to all pupils that when they report incidents of bullying, they are not considered to be telling tales but are behaving responsibly.
- Ensuring that pupils know who to tell and how to tell, e.g.:
 - Direct approach to teacher at an appropriate time, for example after class.

- Hand note up with homework.
- Make a phone call to the school
- Anti-bully or Worry box?
- Get a parent/guardian or friend to tell on your behalf.
- Ensure bystanders understand the importance of telling if they witness or know that bullying is taking place.
- Identify clear protocols to encourage parents/guardians to approach the school if they suspect that their child is being bullied. The protocol should be developed in consultation with parents.
- The development of an Acceptable Use Policy in the school to include the necessary steps to ensure that the access to technology within the school is strictly monitored. Use of Pupils` mobile phones in school is prohibited.
- The listing of supports currently being used in the school and the identification of other supports available to the school.

Implementation of curricula

- The full implementation of the SPHE and the RSE and Stay Safe Programmes.
- Continuous Professional Development for staff in delivering these programmes.
- School wide delivery of lessons on bullying from evidence-based programmes.
- School wide delivery of lessons on **Cyber Bullying** (#UP2US, Be Safe-Be Web wise, Web wise Primary teachers' resources),
- Delivery of the Garda SPHE Programmes at primary level. These lessons, delivered by Community Gardai, cover issues around personal safety and cyber-bullying
- The school will specifically consider the additional needs of SEN pupils with regard to programme implementation and the development of skills and strategies to enable all pupils to respond appropriately.
- The school will consider the implement of advice in “Sexual Orientation advice for schools” (RSE Primary, see booklet).

6. Procedures for Investigating and Dealing with Bullying

The primary aim in investigating and dealing with bullying is to resolve any issues and to restore, as far as is practicable, the relationships of the parties involved (rather than to apportion blame);

The school’s procedures must be consistent with the following approach.

Every effort will be made to ensure that all involved (including pupils, parents/guardians) understand this approach from the outset.

Reporting bullying behaviour

- Any pupil or parent(s)/guardian(s) may bring a bullying incident to any teacher in the school.
- All reports, including anonymous reports of bullying, will be investigated and dealt with by the relevant teacher.
- Teaching and non-teaching staff such as secretaries, special needs assistants (SNAs), bus escorts, caretakers, cleaners must report any incidents of bullying behaviour witnessed by them, or mentioned to them, to the relevant teacher;
- Investigating and dealing with incidents: Style of approach (see section 6.8.9)
- In investigating and dealing with bullying, the relevant teacher will exercise her professional judgement to determine whether bullying has occurred and how best the situation might be resolved;
- Parent(s)/guardian(s) and pupils are required to co-operate with any investigation and assist the school in resolving any issues and restoring, as far as is practicable, the relationships of the parties involved as quickly as possible;
- Teachers should take a calm, unemotional problem-solving approach.
- Where possible incidents should be investigated outside the classroom situation to ensure the privacy of all involved;
- All interviews should be conducted with sensitivity and with due regard to the rights of all pupils concerned. Pupils who are not directly involved can also provide very useful information in this way;
- When analysing incidents of bullying behaviour, the relevant teacher should seek answers to questions of what, where, when, who and why. This should be done in a calm manner, setting an example in dealing effectively with a conflict in a non-aggressive manner;
- If a group is involved, each member should be interviewed individually at first. Thereafter, all those involved should be met as a group. At the group meeting, each member should be asked for his/her account of what happened to ensure that everyone in the group is clear about each other's statements;
- Each member of a group should be supported through the possible pressures that may face them from the other members of the group after the interview by the teacher;
- It may also be appropriate or helpful to ask those involved to write down their account of the incident(s)
- In cases where it has been determined by the relevant teacher that bullying behaviour has occurred, the parent(s)/guardian(s) of the parties involved should be contacted at an early stage to inform them of the matter and explain the actions being taken (by reference to the school policy). The school should give parent(s)/guardian(s) an opportunity of discussing ways in which they can reinforce or support the actions being taken by the school and the supports provided to the pupils;
- Where the relevant teacher has determined that a pupil has been engaged in bullying behaviour, it should be made clear to her how she is in breach of the school's anti-bullying policy and efforts should be made to try to get her to see the situation from the perspective of the pupil being bullied;

- It must also be made clear to all involved (each set of pupils and parent(s)/guardian(s)) that in any situation where disciplinary sanctions are required, this is a private matter between the pupil being disciplined, his or her parent(s)/guardian(s) and the school;

Follow up and recording

- In determining whether a bullying case has been adequately and appropriately addressed the relevant teacher must, as part of her professional judgement, take the following factors into account:
 - Whether the bullying behaviour has ceased;
 - Whether any issues between the parties have been resolved as far as is practicable;
 - Whether the relationships between the parties have been restored as far as is practicable;
 - Any feedback received from the parties involved, their parent(s)/guardian(s) or the school Principal or Deputy Principal
- Follow-up meetings with the relevant parties involved should be arranged separately with a view to possibly bringing them together at a later date if the pupil who has been bullied is ready and agreeable.
- Where a parent(s)/guardian(s) is not satisfied that the school has dealt with a bullying case in accordance with these procedures, the parent(s)/guardian(s) must be referred, as appropriate, to the school's complaints procedures.
- In the event that a parent(s)/guardian(s) has exhausted the school's complaints procedures and is still not satisfied, the school must advise the parent(s)/guardian(s) of their right to make a complaint to the Ombudsman for Children.

Recording of bullying behaviour

It is imperative that all recording of bullying incidents must be done in an objective and factual manner.

The school's procedures for noting and reporting bullying behaviour are as follows:

Informal- pre-determination that bullying has occurred

- All staff must keep a written record of any incidents witnessed by them or notified to them. Consideration needs to be given to where the records will be made e.g. incident book. All incidents must be reported to the relevant teacher
- While all reports, including anonymous reports of bullying must be investigated and dealt with by the relevant teacher, the relevant teacher must keep a written record of the reports, the actions taken and any discussions with those involved regarding same
- The relevant teacher must inform the principal of all incidents being investigated.

Formal Stage 1-determination that bullying has occurred

- If it is established by the relevant teacher that bullying has occurred, the relevant teacher must keep appropriate written records which will assist her efforts to resolve the issues and restore, as far as is practicable, the relationships of the parties involved.

- The school in consultation with the relevant teacher/s should develop a protocol for the storage of all records retained by the relevant teacher.

Formal Stage 2-Appendix 3 (From DES Procedures)

The relevant teacher must use the recording template attached to record the bullying behaviour in the following circumstances:

- a) in cases where she considers that the bullying behaviour has not been adequately and appropriately addressed within 20 school days after she has determined that bullying behaviour occurred; and
- b) All confirmed instances of bullying behaviour must be recorded and reported immediately to the Principal or Deputy Principal as applicable.

The recording template must be retained by the relevant teacher in question and a copy maintained by the principal.

Teachers' records are retained in a secure space in the teachers' classroom. All report templates given to the Principal will be retained in the filing cabinet in the Principal's Office.

Established intervention strategies:

- Teacher interviews with all pupils

- No Blame Approach
- Circle Time

- If pupils require counselling or further supports the school will endeavour to liaise with the appropriate agencies to organise same. **NEPS will also be contacted for advice**

- Pupils should understand that there are no innocent bystanders and that all incidents of bullying behaviour must be reported to a teacher.

8. Supervision and Monitoring of Pupils

The Board of Management confirms that appropriate supervision and monitoring policies and Practices are in place to both prevent and deal with bullying behaviour and to facilitate early intervention where possible.

- There are agreed supervision and monitoring practices in the school
- Mobile phones are not permitted on school tours/outings except in special circumstances

Anti-Bullying Policy – Parents’ Charter

I agree to support the school’s Anti-Bullying Policy.

I understand that if my child is bullied or if my child bullies, I am required to co-operate with the school in dealing with the bullying issue.

I understand that in any situation where sanctions are required, this is a private matter between the pupil being disciplined, his/her parents/guardians and the school.

I agree to talk to my child about bullying and explain to his/her what bullying means in the context of this policy.

Bullying is unwanted negative behaviour, verbal, psychological or physical, conducted by an individual or group against another person (or persons), and which is repeated over time.

I acknowledge that I am aware that the legal age for children using Facebook is 13 years of age.

I am aware that there may be risks and dangers for my child if he/she uses social media and that as a parent/guardian I have a responsibility to provide supervision in this area.

I am aware that the school has safeguards in place with regard to pupil internet/website access at school and that the use of the internet/websites outside of school falls under parental responsibility.

I know the dangers of cyber bullying and undertake to avail where possible of any information evenings organised by the school or the Parents’ Association.
