September Newsletter 2024

Fáilte is fiche romhaibh thar n-ais!

Welcome Back!

Dear Parents/Guardians,

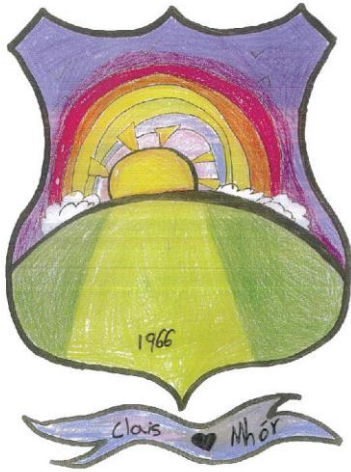

I would like to wish you all a very warm welcome back to school.

I hope that you are all keeping well and you had a lovely break over the Summer period.

It was wonderful to see the school coming to life again, with the return of the boys and girls on Wednesday 28th August. I would like to wish all of our pupils, parents, staff, Board of Management, Parents` Association and school community every best wish for the year ahead. I hope that it will be a good one for all of us. I would also like to extend a very special welcome to our New Junior Infants and our new families to the school. I wish them every happiness as they join our school community.

I would also like to wish our past pupils all the very best, as they begin their secondary school education.

Like other years, we have endeavoured to make some up-grades to the school and this year is no different. I am delighted to announce, that the school was successful in its application for new furniture. As a result, all of the pupil chairs have replaced throughout the school. Tables in 3rd & 4th class have also been replaced. We have replaced a number of teacher desks and 2 extra notice boards and 2 extra (marker) whiteboards were granted as well as 2 drawer pedestal units for each teacher. Equally, as we are a Green School all of the old furniture has gone to new homes in the local community. 2 new interactive whiteboards have also been replaced in the Special Education teaching rooms. As well as that, we now have stackable chairs for school events.

6. School Crests

Please be advised that the iron-on/sew on School Crest is still available to buy from the office at a cost of €5. This is also a Parents` Association fundraiser, so we would greatly appreciate your support. Please remember to label all of your child(ren)`s jumpers, as jumpers tend to get mixed up or mislaid.

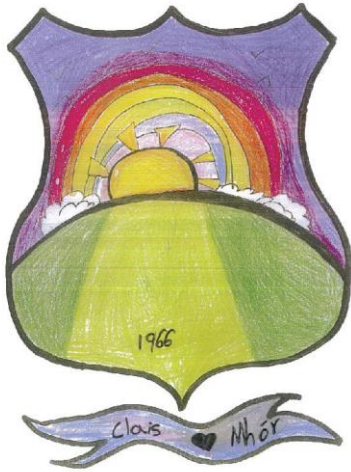

7. Attendance/Pupil Absences

As a DEIS school we will be placing a huge focus on attendance again for the coming year.

The importance of attendance cannot be under-estimated. By maintaining a good attendance, children can not only develop academically but can develop their social skills and friendships to name a few of the benefits. So please make every effort to ensure your child is in school.

If your child is absent, it is mandatory that a reason for the absence is communicated to the school. Equally, **we would ask that appointments be made outside of school time and that children are not leaving school early.** In addition, please try to avoid taking holidays during term time, as regardless of the time of year children are missing out when they are not in school.

As per our Attendance Policy, the Principal will issue a letter to parents following absences of 10 days, 15 days and 20 days. If a child has been absent for more than 20 days in a school year, then this will have to be reported to *Tusla Child and Family Agency* and the Children`s Education Welfare Officer may be in touch if there is cause for concern.
